FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

1. An Indictment was filed in this District on April 20, 2005, charging defendant with the above-referenced charges. Defendant was extradited from Canada and makes his first appearance in this District.

2. Defendant was not interviewed by Pretrial Services. He does not contest detention.

3. Defendant poses a risk of nonappearance due to Canadian citizenship, lack of verified background information and extradition proceedings. He poses a risk of danger due to the nature of the charges and lack of background information.

4. There does not appear to be any condition or combination of conditions that will reasonably assure the defendant's appearance at future Court hearings while addressing the danger to other persons or the community.

It is therefore ORDERED:

1. Defendant shall be detained pending trial and committed to the custody of the Attorney General for confinement in a correction facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal;
2. Defendant shall be afforded reasonable opportunity for private consultation with counsel;
3. On order of the United States or on request of an attorney for the Government, the person in charge of the corrections facility in which defendant is confined shall deliver the defendant to a United States Marshal for the purpose of an appearance in connection with a court proceeding; and

01 4. The Clerk shall direct copies of this Order to counsel for the United States, to counsel  
02 for the defendant, to the United States Marshal, and to the United State Pretrial Services  
03 Officer.

04 DATED this 23rd day of October, 2012.
